Variances	
<i>Rule Number</i>	<i>Rule</i>
R400.1910(1)	The ratio of personnel to children present in the home at any 1 time must be not less than 1 member of the personnel to 6 children. The ratio must include all children in care who are not related to any personnel and any of the following children who are less than 6 years of age: (a) Children of the licensee. (b) Children of a child care staff member or child care assistant. (c) Children related to any member of the household by blood, marriage, or adoption.

PA 116 MCL 722.111(2) and MCL 722.111(4) increased capacity for family and group homes allowing family homes to have up to 7 children and group homes to have up to 14 children. Given that ratio is defined in the administrative rules, a variance to the personnel to child ratio is necessary to align with the changes set forth in HB 5041.

"Increased capacity" means 1 additional child added to the total number of minor children received for care and supervision in a family child care home or 2 additional children added to the total number of minor children received for care and supervision in a group child care home.

The ratio of personnel to children present in the home at any time will be 1 personnel to 7 children.

The ratio of personnel to children present in the home at any 1 time must be not less than 1 member of the personnel to 7 children.

(1) The ratio must include all children in care who are not related to any personnel and any of the following children who are less than 6 years of age: (a) Children of the licensee. (b) Children of a child care staff member or child care assistant. (c) Children related to any member of the household by blood, marriage, or adoption.
