Findings of the Inspection

A copy of this renewal inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

The renewal inspection involved a review of all applicable child care center [administrative rules](#) and [statutes](#). Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center's records, including staff records and children's records. Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

If you have any questions regarding the report, please contact licensing consultant, Thanh Biehl, at (734) 417-8580. In the event that Thanh Biehl is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.

Variations	
<i>Rule Number</i>	<i>Rule</i>
R400.1910(1)	The ratio of personnel to children present in the home at any 1 time must be not less than 1 member of the personnel to 6 children. The ratio must include all children in care who are not related to any personnel and any of the following children who are less than 6 years of age: (a) Children of the licensee. (b) Children of a child care staff member or child care assistant. (c) Children related to any member of the household by blood, marriage, or adoption.

PA 116 MCL 722.111(2) and MCL 722.111(4) increased capacity for family and group homes allowing family homes to have up to 7 children and group homes to have up to 14 children. Given that ratio is defined in the administrative rules, a variance to the personnel to child ratio is necessary to align with the changes set forth in HB 5041.

"Increased capacity" means 1 additional child added to the total number of minor children received for care and supervision in a family child care home or 2 additional children added to the total number of minor children received for care and supervision in a group child care home.

The ratio of personnel to children present in the home at any time will be 1 personnel to 7 children.

The ratio of personnel to children present in the home at any 1 time must be not less than 1 member of the personnel to 7 children.

(1) The ratio must include all children in care who are not related to any personnel and any of the following children who are less than 6 years of age: (a) Children of the licensee. (b) Children of a child care staff member or child care assistant. (c) Children related to any member of the household by blood, marriage, or adoption.
