III. Methodology

08/07/2023 Modification Request Received

IV. Description of Findings and Conclusions

The terms of the original license have been modified on 08/09/2023 and 07/23/2019.

A. Description of Facility

The facility is a single-story home with a basement located in the city of Saint Ignace.

Rooms and levels approved for child care use:

The approved child use space located on the main level of the home includes: the mud room, kitchen/dining room, living room, bathroom and three bedrooms.

Areas not approved:

The basement is neither approved nor used for child care.

Ages of children served:

This facility serves children birth through 10 years of age.

Equipment:

There is an adequate supply of developmentally appropriate equipment and supplies for the age range and licensed capacity of six children.

Proposed days and hours of operation:

This facility operates Monday through Friday 7:00am – 5:00pm.

Previous or concurrent licenses, including children's foster care:

Ms. Cowell has not been previously licensed for child care and is not currently licensed for foster care.

Exiting information (including second floor and basement):

There are two exits from the main level of the home. The first exit is the front door located in the living room and provides egress to the front yard. The second exit is front door located in the mud room and provides egress to the front yard.

Outdoor play area description:

The outdoor play area is located in the partially fenced back yard. There is elevated play equipment with sand as the cushioning material. Ms. Cowell will provide direct supervision with children in care at all times during outdoor play.

There are two dogs in the home, Labs, that have supervised contact with the children in care. There are no water hazards, fireplaces or wood burning stoves on the property.

V. Recommendation

I recommend that the age range for this facility be birth through 10 years of age.
