Dear Ms. Waldrop:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 02/10/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.

- On February 10, 2023, I provided Ms. Waldrop with technical assistance regarding a planned basement modification. Ms. Waldrop is considering finishing her basement for a child use space. Ms. Waldrop understands that the department must provide approval before any new child use space is utilized.
- On February 13, 2023, I advised Ms. Waldrop to contact MI-Registry regarding training records not showing up on her learning record.
