Dear Ms. Smith:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 08/16/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

**R 400.1905            Training**

(9) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 months of the notice.

Mrs. Smith failed to complete the updated Health and Safety Refresher training from 2021 as required.

**R 400.1916            Bedding and sleeping equipment.**

(5) Play yard mattresses must be purchased from the manufacturer of the play yard and be manufactured after February 19, 2014. Play yards must meet the Consumer Product Safety Commission safety standards for play yards, 16 CFR part 1221 (2019). Licensees shall comply with this subrule by December 31, 2019. These standards are available at <http://www.cpsc.gov>. They are also available for inspection and distribution at the Michigan Department of Licensing and Regulatory Affairs, Bureau of Community and Health Systems, Child Care Licensing Division, 611 W Ottawa, Lansing, MI 48933-1070.

There was a playpen that had a manufacture date of 2012 that was prior to the requirements set forth by the Consumer Product Safety Commission safety standards for play yards.

On 08/16/2022, you gave us an acceptable written corrective action plan.
