Dear Deja Walsh,

This letter is to advise you that the 2/27/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited | Noncompliance observed | Plan to correct | Date to be completed |
|------------------------|--|---|-----------------------------|
| R 400.1945(4) | Fire drills had not been logged by the provider in more than 6 months. | Fire drill logs will be maintained as required. | 3/8/2024 |
| R 400.1905(9) | The licensee failed to complete the 2023 Health and Safety Refresher as required. | Licensee will makeup the missing 2023 Health and Safety Refresher Training. | 3/8/2024 |
| R 400.1907(3) | The licensee failed to record the first and last names of children present/receiving care. | The licensee will update attendance to pre-printed forms with the child's first and last names. | 2/28/2024 |

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
