Dear Ms. Bajtko:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 10/19/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

At the time of this onsite inspection, there were three children in care and one caregiver. Two of the children were napping, and one child was resting in an infant swing. During this inspection, Ms. Bajtko interacted with the child who was awake in a caring and developmentally appropriate manner. I did not observe any safety concerns.

As a result of the inspection, I did not find any rule or law violations.
