Dear Ms. Hojnowski:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 01/11/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

At the time of this onsite inspection, there were two children in care and one caregiver. One of the children was napping. The other child was an infant. I observed feeding and playtime. Ms. Hojnowski interacted with the child in a loving and developmentally appropriate manner. I observed a variety of toys and equipment. There were no safety concerns.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
