RE: License #: DF510259601
Barbara Hojnowski
1361 Perry Street
Manistee, MI 49660-1141

Dear Ms. Hojnowski:

Attached is your renewal inspection report. The report was amended to include an additional rule violation (722.115n(1)). You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the renewal inspection on 11/29/2022, I found 2 violations. The violations are listed below and explained in the attached report:

722.115n(1) Comprehensive background check; fingerprints

R 400.1924(2)(b) Handwashing

Due to the violations, you must send us a corrective action plan by 1/5/2023. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.

- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

Linda Strube, Licensing Consultant

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

MCL 722.115n Application for or renewal of license to operate child care center, group child care home, or family child care home; household member or child care staff member; criminal history check; requirements; duties of department.

(1) Except as otherwise provided in subsection (13), when a person, partnership, firm, corporation, association, governmental organization, or nongovernmental organization applies for or applies to renew a license to operate a child care center, group child care home, or family child care home under section 5m and before a group child care home or family child care home allows an individual to be a member of the household, or a child care center, group child care home, or family child care home allows an individual to become a child care staff member, the department shall do all of the following:

(a) Review its database of individuals with previous disciplinary action within a child care center, group child care home, or family child care home or an adult foster care facility.

(b) Conduct a search of the individual through the national sex offender registry.

(c) Request a search of the individual through all state criminal registries or repositories for any states of residence in the past 5 years.

(d) Request that the department of state police perform a criminal history check on the individual, child care staff member, or adult member of the household.

Ms. Hojnowski failed to ensure that a criminal history background check was completed by the Child Care Background Check system for a nineteen-year-old individual having access to children in the child care home on a recurring basis.

R 400.1924 Hand washing.

(2) Personnel shall ensure that children wash their hands at all of the following times:

(b) After toileting or diapering.

Ms. Hojnowski failed to ensure that she washed children's hands after diapering.

Ms. Hojnowski did not wash a child's hands after diapering during the onsite inspection.

IV. RECOMMENDATION

Upon receipt of an acceptable corrective action plan, I recommend issuance of a regular license to this child care family home (capacity 1-7).
