RE: License #: DF520096888
Shari's Early Learning Center
2018 Granite Street
Marquette, MI 49855-1471

Dear Ms. Marceau:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 12/20/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. During the inspection, I observed children receiving nurturing care in this quality family child care home. There are excellent materials to help children to advance in their development and learning with an experienced caregiver.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive script that reads "Anne O'Neill".
