RE: License #: DF520396125
Daisy Hill Daycare

Dear Ms. Paul:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 12/03/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations.

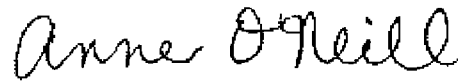

During the inspection, I observed children engaged in developmentally appropriate play activities with nurturing, educational guidance. Health and safety is a high priority in this home with excellent sanitization and hygiene practices. This experienced caregiver provides quality care in a safe home environment.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink that reads "Anne O'Neill". The signature is written in a cursive, flowing style.
