Dear Ms. Veeneman:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 10/06/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

At the time of the onsite inspection, Ms. Veeneman was present with two child care children. They were preparing to go outside when I arrived. During the onsite inspection, the children engaged in free play with Legos. Ms. Veeneman was bonded with the children and provided appropriate care and supervision.

As a result of the inspection, I did not find any rule or law violations.

During the exit conference, technical assistance/consultation was provided regarding the following:

- I reminded Ms. Veeneman that she and her staff member must complete the 2022 health and safety refresher training by November 1, 2022.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
