You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1941(2)	There were combustible and flammable materials stored next to the furnace and water heater.	Laurel will move all flammable or combustible materials at least 4 feet from the furnace and water heater.	10/23/2023
R 400.1924(2)(a)	Children were getting up to play while they were eating, without washing their hands prior to eating again.	Children will wash their hands before and after eating.	10/17/2023

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
