Dear Mrs. Simkins:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 10/17/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the onsite inspection I observed the home to be welcoming and appropriate for the ages of children Mrs. Simkins serves. There were no children enrolled at the time of the visit and Mrs. Simkins said she has not had kids enrolled in several months, however she does not want to close the license at this time.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Mrs. Simpkins was given Technical Assistance on the following rules:
