Dear Ms. Hopkins:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 09/20/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the onsite inspection I observed children engaged in music time with the appropriate use of media to encourage gross motor development. I observed free play. I observed an infant sleeping alone on her back in an appropriate pack and play. I observed the caregiver to have an established routine and remain engaged with the children. Records were organized and readily available.

As a result of the inspection, I did not find any rule or law violations.

<b>During calendar year 2022:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>
