Dear Ms. Brabbs:

This letter is to advise you that the 08/24/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
400.1919 (3) Communicable disease; immunization; mental and physical health; physician attestation	The minor household member had a TB test this year instead of last year when it was due.	Ms. Brabbs already took her minor child in and this task has been completed	07/21/2021
400.1925(2b)	██████████ household member; had not signed the Consent and Disclosure form.	Ms. Brabbs will have the paperwork signed.	Within 72 hours

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (231) 922-5309.

Sincerely,
