RE: License #: DF560378238
Bobbie's Day Care (Roberta Mettert)
44 Rosemary Court
Midland, MI 48640

Dear Ms. Mettert:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the inspection I observed diapering, handwashing, free play with dancing and developmentally appropriate music. I observed the caregiver prepare and serve lunch and children eating a family style meal.

I observed children being redirected and napping. The caregiver was nurturing and appropriate with the children who appeared bonded to her. She successfully comforted an infant. I observed safe sleep. There are age-appropriate toys, activities, games and dramatic play items available to all of the children. Records were organized and readily available.

During the renewal inspection on 9/13/2022, I found 2 violations. The violations are listed below and explained in the attached report:

R 400.1905 (1) Training.

R 400.1905 (7) Training.

You gave us an acceptable written corrective action plan. We will send you a regular license in the mail.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

Tania Allard, Licensing Consultant

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct

observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.1905 Training.

(1) A licensee shall complete not less than 10 clock hours of training each calendar year related to child development, program planning, and administrative management for a child care business, not including CPR, first aid, and infectious disease, including immunizations, training.

Ms. Mettert did not complete 10 hours of training in 2021.

R 400.1905 Training.

(7) CPR and first aid training certification must be maintained according to the expiration dates on the individual's certification cards.

Ms. Mettert's CPR training expired on 10/02/2020

A corrective action plan was requested and approved on 09/13/2022. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

I recommend issuance of a regular license (capacity 6).
