Dear Mrs. Larson:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the onsite inspection I observed children napping and safe sleep being utilized. I observed lunch being cleaned up, sanitizing and handwashing. I observed toileting and diapering. Records were organized and readily available. Children appear to be in a good routine.

As a result of the renewal inspection on 02/08/2023, I did not find any rule or law violations. You will receive your regular license in the mail.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	
Number of deaths that occurred in the facility.	
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
