Dear Ms. Straub:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 02/02/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations.

During my on-site visit, the children were engaging in free play and large motor activities. There was positive interaction between the licensee and the children.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
