RE: License #: DF560411190
Waymakers Daycare (Tabetha Oldham)
2412 Isabella Street
Midland, MI 48640

Dear Mrs. Oldham:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the onsite inspection I observed children eating a family style lunch, bottle feeding and handwashing. I observed rest time and safe sleep. There are a variety of age-appropriate activities available for the children served including material that supports literacy, fine and gross motor development, and language development.

As a result of the renewal inspection on 11/03/2022, I did not find any rule or law violations. You will receive your regular license in the mail.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	1
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

Tania Allard

Licensee present at time of inspection?	Yes	
Persons Interviewed:	Licensee <input checked="" type="checkbox"/>	
	Assistant Caregivers <input type="checkbox"/>	

Approved child use space: Mrs. Oldham will use the living room, kitchen/dining room and play room on the main floor of the home for child care. There is a full bathroom located off the kitchen/dining room available for children's use. The basement may be used as a storm shelter.

Exiting information (including second floor and basement): The main level has four remote exits; the side door which is used as the main entrance, the side sliding door which leads to the patio, another side door on the opposite side of the home and the front door which are each marked as exits and lead to outside. The upper level has a window and stairs leading down to the main level. The basement has a window and stairs leading to the main level. The master bedroom, upper level, and basement are not approved for child care use.

Approved variances - No Yes Description:

Key Indicator Inspection: No, this is not a key indicator inspection.

Additional information:

- Pets? No Yes If yes, describe.
There are two cats and one lizard in a tank in the home.
- Hot tubs or spa pool? No Yes If yes, are there appropriate barriers?
- Swimming pool? No Yes If yes, describe pool and barriers.
- Other water hazards? No Yes If yes, describe.
- Fireplace or wood burning stove? No Yes If yes, describe.
There is an electric fireplace in the living room, which will not be used while children are in care.
- Fireplace/wood burner in use during child care hours? No Yes If yes, describe barriers to protect children from burns.

The fireplace will not be used during child care hours.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

The facility is in compliance with all applicable rules and statutes.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care family home (capacity 1-6).
