Dear Ms. Wingate:

This letter is to advise you that the 10/05/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Original Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.1943 (11) Exit requirements for each floor level used by children. For a basement window exit that is over 44 inches above floor level and approved prior to January 1, 2006, only	A step ladder was folded up next to the window for use to access the egress window.	Ms. Wingate will ensure compliance by permanently securing the steps for egress to the wall or floor. A step ladder will not be used.	10/07/2022

<p>steps and platforms must be used to access the window exit, and they must be permanently secured to the wall or floor. Ladders must not be used as a means for exiting.</p>

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at 517-284-9730.

Sincerely,
