Dear Ms. Guikema:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 03/11/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection I was able to observe Ms. Guikema interacting with the child she had in care in a positive manner. The child was playing with baby dolls while Ms. Guikema prepared lunch. The home was free of any safety hazards and well cared for. I provided technical assistance on needing to locate the consent and disclosure forms for herself and her husband.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
