Dear Ms. Ottati:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 12/20/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection there were two child care children present and the licensee. She indicated that she will not be renewing her license when the time coming. She is ready to retire. She was preparing lunch for the children to have their end of the year holiday party. The children were being appropriately interacted with and supervised.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
