Dear Ms Brown:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 07/30/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection at the child care home, Ms. Brown was engaged in positive interactions with the children. The children were playing with creative play items and would answer questions when asked by this licensing consultant. The children reported they feel safe, loved and have fun at the child care home. The home was clean and free of any hazards. The children were able to say where to go if there was a tornado or a fire and they stated they play outside all the time.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
