Dear Ms. Pierce:

This letter is to advise you that the 04/05/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

R400.1934(4) Heating; ventilation; lighting; radon.	Ms. Pierce did not ensure to have an updated radon test completed. The last radon test completed was in 2011.	Ms. Pierce will complete a radon test and submit the results to her licensing consultant.	05/05/2022
R400.1936(5) Animals and pets.	Ms. Pierce did not ensure that pet food was inaccessible to child care children.	Ms. Pierce will move her pet's food to make it inaccessible to children.	04/05/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (231) 922-5309.
