Dear Ms. Purple:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 04/12/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

At the time of the onsite inspection, Ms. Purple was present with six child care children. Two adult household members were also present. When I arrived, the children had just finished eating breakfast. They engaged in free play throughout the inspection. Ms. Purple provided appropriate care and supervision.

As a result of the inspection, I did not find any rule or law violations.

During the exit conference, technical assistance/consultation was provided regarding the following:

- As the television was on during the inspection, I reminded Ms. Purple that use of media is not to exceed two hours per day, and that music is a good alternative for background noise.
- As Ms. Purple has a pool, I requested that she develop a water emergency plan.
- Ms. Purple’s recall list was outdated. I emailed her a copy to print and post.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0

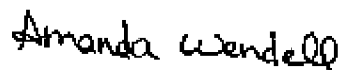

Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
