Dear Ms. Beahan:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 01/19/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection Ms. Beahan was observed to be caring for two relative children and three child care children. The children were napping on appropriate sleep equipment with the exception of one infant relative child that was playing on a playmat. The home was clean and no safety hazards were observed.

The violations that were found are:
