Dear Ms. Woodwyk:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 03/29/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection I was able to observe Ms. Woodwyk interacting positively with the child care children, she comforted them and offered support. Ms. Woodwyk had the children complete an easter egg craft project and also had an Easter sensory table set up where the children could find puzzle pieces in different eggs. The home is well cared for, and no safety hazards were noted. Ms. Woodwyk and I discussed the need for her to complete the 2022 refresher and that I would email her the link to do so.

As a result of the inspection, I did not find any rule or law violations.
