Dear Mrs. Booher:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 05/10/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

R 400.1916 Bedding and sleeping equipment.

(8) Soft objects, bumper pads, stuffed toys, blankets, quilts or comforters, pillows, and other objects that could smother an infant must not be placed with, under, or within reach of a resting or sleeping infant.

During my onsite inspection, Ms. Booher was caring for an infant who was laying down for a nap, I observed the infant having a blanket in the crib . Ms. Booher stated he sleeps with several at home and will not sleep at child care without one.

On 5/10/2023, you gave us an acceptable written corrective action plan.

Due to the infant safe sleep violation(s), all of your infant caregivers must take training on infant safe sleep. This must be included in your corrective action plan. In addition, a follow up inspection may be made to check compliance with the infant safe sleep rules.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
