Dear Mrs. Pruim:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 09/21/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection there were four child care children and the licensee present. The children were participating in choice play. All children were being appropriately supervised and interacted with. As a result of the inspection, I did not find any rule or law violations.

I reminded licensee that the Health and Safety Refresher training for 2021 needed to be completed on MiRegistry.

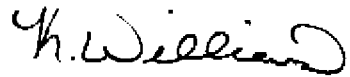

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (616) 356-0183.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
