Dear Julie Gilbert:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 09/28/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection Ms. Gilbert was caring for three child care children and her daughter, they were cleaning up from morning play and moving on to snack time. Ms. Gilbert was engaged in positive interactions with the children and all children looked to her for reassurance. The children washed their hands prior to having snack and then stated they were heading outside to play. The home and outdoor play space was free of any safety hazards.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.
