Dear Ms. Riley:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 03/07/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

Ms. Riley was caring for one child during my onsite inspection, the child had just laid down for a nap. Ms. Riley's home was clean and free of any safety hazards. We discussed the need to keep up on health and safety trainings and the redetermination of fingerprints.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
