III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and

training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.1905 Training.

(6) Completion of the required training must be verified by a document, signed by the trainer or an authorized individual, which must be kept on file or available online at MiRegistry.

The licensee did not have verification of safe sleep training on file.

R 400.1925 Comprehensive background check; fingerprinting.

**(2) An applicant or licensee shall do all of the following:
(a) Ensure that each individual who requires an eligibility determination pursuant to subrule (1) of this rule completes, signs, and submits all of the information required in subrule (5) of this rule, and in subrule (6) of this rule if applicable, on a form prescribed by the department. The forms are available on the department's website for the child care background check system, www.michigan.gov/ccbc. The form(s) must be signed and dated prior to the individual's appointment to be fingerprinted.**

Consent and disclosure forms were not on file for the licensee and household members.

R 400.1945 Emergency; plan; drill.

(1) An applicant or licensee shall have a written emergency response plan for the care of children that must be posted in a conspicuous location within the child care home. The plan must address the following types of emergencies:

(e) Crisis management including, but not limited to, all of the following:

(iii) Bomb threats.

There was no crisis management plan to address bomb threats.

A corrective action plan was requested and approved on 06/14/2022. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

I recommend renewing the license for two years.
