Dear Ms Johnson:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 05/26/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

**R 400.1945                      Emergency; plan; drill.**

(4) Fire drills must be practiced while children are in care at least once quarterly, and a written record that includes the date and time it takes to evacuate must be maintained.

On 5/26/2023, I observed the fire drill record. A drill was completed on 7/12/2022 and then not again until 1/23/2023. No drills have been completed since then. Consultation was provided on making sure that no more than 3 months pass between fire drills.

On 5/26/2023, you gave us an acceptable written corrective action plan.

<b>During calendar year 2022:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
