Findings of the Inspection

A copy of this interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Family Home.

During the on-site inspection, I reviewed staff member’s records. There were no children enrolled in the program at the time of the on-site inspection.

Due to the health and safety professional development training violation, all of the facility’s child care staff members must complete the required training by 12/19/2023. This must be included in the facility’s corrective action plan.

If you have any questions regarding the report, please contact licensing consultant, Alicia Wiggins, at (248) 369-7892 or wigginsa@michigan.gov.
