Dear Ms. Fisher:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the renewal inspection on 5/17/23, I found two violation(s) listed below and explained in the attached report: listed below and explained in the attached report:

R 400.1919(3) Communicable disease; immunization; mental and physical health; physician attestation; tuberculosis.

R 400.1931(9) Food preparation and service.

Due to the violations, you must send us a corrective action plan by 6/7/23. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.

- The signature of the responsible party and a date.

<b>During calendar year 2021:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records.

Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

**R 400.1919                      Communicable disease; immunization; mental and physical health; physician attestation; tuberculosis.**

(3) An applicant, licensee, child care staff member, child care assistant, and a member of the household who is age 14 or older shall provide written evidence of freedom from communicable tuberculosis (TB) prior to caring for children or living in the child care home.

The licensee did not have the TB test done for a household member who turned 14 years of age.

**R 400.1931                      Food preparation and service.**

(9) Warming bottles and beverage containers in a microwave oven or a slow cooker is prohibited.

The licensee warmed a bottle in a microwave.

Technical assistance was provided regarding the following:

- Updated recall list.
- Child in care statement to be filled out completely.
- The bathroom sink to be used after diapering.
- Some cabinets with chemicals to be locked.

**IV. RECOMMENDATION**

Upon receipt of an acceptable corrective action plan I recommend issuance of a regular license to this child care home.
