A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Family Home.

During the on-site inspection, I reviewed children’s and staff member’s records. I observed children in care engaged in a variety of developmentally appropriate activities, including dramatic play, cars and trucks, and Legos. I also observed toileting, handwashing, meal service, and nap time. Ms. Belanger’s interaction with the children was positive and nurturing. She was attentive to the children’s needs.

As a result of the interim inspection on 12/14/2023, licensing consultant Alicia Wiggins did not find any rule or law violations.
