Dear Ms. Kast:

This letter is to advise you that the 09/28/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited | Noncompliance observed | Plan to correct | Date to be completed |
|---|---|--|----------------------|
| R 400.1907(1)(a) Child's records | Out of the nine child information cards reviewed none of the cards had information on date of admission, allergies, employer's phone number or allergies. | The licensee will send back the child information cards for information to be filled by the parents. | 10/3/22 |
| R 400.1932(2) Home maintenance and safety. | The drawer in the kitchen was not secure and it had some medications, ointments that were unsafe for the children to reach. | The licensee will get locks for the drawers and secure the cords in the play area. | 10/3/22 |

| | | | |
|---|--|--|---------|
| R 400.1941(2) Heat producing equipment. | Combustible materials such as cardboard, plastic, cloth and wooden materials were placed within 4 feet of the furnace. | The licensee will clear out the furnace area. | 10/3/22 |
|---|--|--|---------|

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
