III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct

observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.1907 Child's records.

(1) Prior to a child's initial attendance, a licensee shall obtain the following documents:

(a) A completed child information card on a form provided by the department or a comparable substitute approved by the department.

The licensee did not obtain a completed child information record prior to a child's initial attendance. One of six child files reviewed, did not contain a child information record.

R 400.1915 Indoor space; play equipment and materials.

(2) Only space that has received prior approval for child use by the department may be used for child care.

Space that was not previously approved was used for child care. Bedrooms that children used for napping were not included on the original child care license.

R 400.1924 Hand washing.

(1) All personnel shall wash their hands appropriately and, in the following, manner:

(a) Before and after all of the following:

(i) Preparing and serving food, eating, and feeding.

The licensee did not wash her hands prior to feeding a child a bottle.

R 400.1924 Hand washing.

(1) All personnel shall wash their hands appropriately and, in the following, manner:

(b) After all of the following:

(i) Diapering.

The licensee did not wash her hands after diapering a child.

R 400.1925 Comprehensive background check; fingerprinting.

- (2) An applicant or licensee shall do all of the following:
 - (b) Maintain a copy of the completed and signed form(s) for each individual entered into the child care background check system under the license.

The licensee did not maintain a copy of completed and signed consent and disclosure forms for each individual entered into the childcare background check system.

A corrective action plan was requested and approved on 11/16/2022. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
