Dear Ms. Vanderhoef:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 11/02/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my on-site inspection the home was clean and organized. There was a variety of age-appropriate equipment and materials for the children to access. There were three children in care. I observed free play and diapering. Ms. Vanderhoef was providing appropriate care and supervision. She interacted with children in a positive and nurturing manner.

I provided technical assistance and consultation on indoor play equipment and child use space.

As a result of the inspection, I did not find any rule or law violations.
