Dear Ms. Buitendorp:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 06/21/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my on-site inspection the home was clean, organized, and had a variety of age-appropriate equipment both inside and outside for children to access. The children were engaged in outdoor play. Ms. Buitendorp was providing appropriate care and supervision. She used reminders as positive discipline strategies. Home and child records were organized and made readily available.

I provided technical assistance and consultation on the following rules:

- R 400.1915(5) Indoor space; play equipment and materials; ensuring the current recall list is posted.
- R 400.1907(2) Child's record; ensuring the Child in Care Statement/ Receipt (CCL-3900) is updated annually.
- R 400.1925(2)(e) Comprehensive background check; fingerprinting; ensuring the child care background check system is maintained accurate with connection status of each individual associated with the license.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A
