Dear Ms. Bober:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 12/06/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection the programming I observed included the following: rest time, free play, departure, arrival, and diapering. I observed the caregiver's interactions with the children in care to be developmentally appropriate and responsive to their needs.

The violations that were found are:

**R 400.1932 Home maintenance and safety.**

(2) All dangerous and hazardous materials or items must be stored securely and out of the reach of children.

I observed several bathroom products including Febreze spray and body spray on the window sill in the bathroom; accessible to children.

During the exit conference, I provided technical assistance and consultation to Ms. Bober on children's records.

On 12/6/2022, you gave us an acceptable written corrective action plan.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
