Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Family Home.

During the onsite inspection, I observed the licensee providing direct supervision of the children engaged in free play activities upon my arrival. There were other children observed napping during rest time. I observed diapering and hand washing. The children appeared happy and well bonded with the licensee. The home was clean and safe for children’s use. Required records were organized and readily available for review.

As a result of the interim inspection(s) on 4/10/2024, licensing consultant Mary Smith did not find any rule or law violations.

If you have any questions regarding the report, please contact licensing consultant, Mary Smith, at (989) 780-0924. In the event that Mary Smith is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
