Dear Ms. Culver:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 09/14/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

I observed Ms. Culver providing direct supervision of the children during free play time upon arrival. The children were playing with age appropriate toys. I also observed an infant napping during rest time upon my arrival. Safe sleep practices were observed. I observed hand washing and snack time. The children appeared to be happy and well bonded to the licensee. The home was clean and safe for child care use. Required records were organized and readily available for review.

As a result of the inspection, I did not find any rule or law violations.

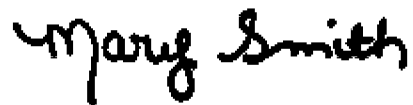

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.
