### Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Family Home.

During the onsite inspection, I observed Ms. Dupuis providing direct supervision of children engaged in free play activities. Children were observed playing with age appropriate toys. I observed children napping during rest time. The children appeared happy and well bonded to Ms. Dupuis. The home was found to be clean and safe for children's use. Required records were organized and readily available for review.

As a result of the Interim inspection on 6/20/2024, licensing consultant Mary Smith did not find any rule or law violations.
