Dear Ms. Jackson - Hilburn:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 03/14/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection, I observed the licensee providing direct supervision of children napping during rest time upon my arrival. I observed children engaged in free play activities. Children were observed playing with age-appropriate toys. The children were preparing for snack time. The children appeared happy and well bonded to the licensee. The home was clean and safe for child care use. Required records were organized and readily available for review.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
