III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the unannounced onsite inspection, Ms. Moore did not have any children in care. The home was clean and safe for children's use. Required records were organized and readily available for review.

The facility is in compliance with all applicable rules and statutes

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care family home (capacity 1-6).
