Dear Phyllis Harvey,

This letter is to advise you that the 06/13/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited | Noncompliance observed | Plan to correct | Date to be completed |
|-----------------|---|---|----------------------|
| R 400.1933(4) | The water temperature at the hand washing sink used by the children tested at 129 degrees Fahrenheit. | I will look into purchasing a mixing valve and place it on the hand washing sink used by children. I will immediately turn down the hot water tank temperature. | 06/13/2024 |

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
