Dear Claire Kuenner,

This letter is to advise you that the 4/8/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1918(4)	I observed an epi-pen to not have the complete pharmacy label and be labeled for the prescribed child.	Before accepting any medication, Ms. Kuenner will ensure that it is provided in the original box with the pharmacy label, child's name, and instructions.	4/8/2024 and ongoing
R 400.1918(2)	I observed there to be an epi-pen on site, however there was not written permission from the parent to administer the medication.	Ms. Kuenner will obtain a written permission slip for the epi-pen from the child's parent. Moving forward, she will obtain written permission slip for any future medications.	04/08/2024 and ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
