Dear Amy Lemacks,

This letter is to advise you that the 02/13/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited | Noncompliance observed | Plan to correct | Date to be completed |
|-----------------|--|---|----------------------|
| R 400.1933(4) | The half bathroom sink used by the children in care did not have warm running water. The licensee stated that they turned the hot water off so children would not be burned. | The licensee stated that she would install a mixing valve or anti-scald device on the bathroom sink used by the children in care. | 03/01/2024 |

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
